Remember to total your purchase and fill in your address details below before sending this sheet back to us. **And Merry Christmas to all our friends, we can't do it without you.**

Specials

Something for everyone, including the donkeys

Whether it's for using everyday or something very special, you'll find it amongst this excellent array of gifts. And, remember, you'll be helping us keep the donkeys smiling through their Christmas holidays.

See the catalogue order form page to tell us what you want and how many.

Would you like a Ruby for Christmas?

Ruby is a real character, having grown up with a family of boys who enjoyed her playing their games. Unfortunately, one them became ill and the family had to move into the city, near the hospital, so Ruby came to live at GSDS.

Always keen to participate, here she is dressed up and representing Sicily at our International Day of the Donkey.

Ruby needs to have a few sponsors so, if you can help, please contact Jo-Anne as there are several ways of supporting her (and others), including with sponsoring a special donkey as a single sponsor or together with others.

Please read our sponsorship form to help this little donkey.

Christmas cards

Send something extra special to family and friends this Christmas with this exquisite card set. You get 10 cards and envelopes per pack and they are a stand-out way to show your love.

Some of our superb Christmas Donkey Cards—see Catalogue Order Form for details.

Not Only a Hero **RED HOT SPECIAL**

We were lucky to obtain these beautiful history books on Simpson and his donkey—a true **Christmas Special for just \$10**. Beautifully illustrated, it's a must for every Australian home-library and we shouldn't let the next generation forget those who gave so much for us.

Simpson and His Donkey, the badge

Available in either an antique-brass or pewter-look, this 'solid' feeling badge depicts Simpson and his tireless donkey. It's an excellent commemoration of this very brave duo and **great value at only \$5 each**.

Knitted Donkeys, smaller but just as friendly

Our popular knitted donkeys are back and are ready for adoption this Christmas. The ladies at 'The Grange at Tea Gardens' have skillfully knitted them and each is unique.

Each is named after a real-life donkey at GSDS and comes with a name tag and registration papers. These papers can be registered in your name or that of someone else as a gift.

A donation of \$100 gets you one of these friendly little fellows, with all funds going to the upkeep of their real counterparts in the Sanctuary (*see Catalogue Order Form*).
